NASHVILLE SCHOOL OF LAW
RECEIVED

MAR 15 2010

Location: 4811 Lebanon Pike
Hermitage, TN

Description: General reception area, my office, Paralegal office,
Conference room, meeting room (mediation).

I do mostly family law, estate planning, and some personal injury right now.
There is good foot traffic in the building and referrals from other offices.

There is a definite market in this area for anyone interested in business
corporations, real property, bankruptcy, workers' comp, etc. I do not practice
in these areas, so someone who does might be a good fit.

Please call ahead if you're interested.

Thanks
